Conditions of Accreditation

Compliance with these conditions is mandatory.

General Conditions

This accreditation applies only to the legal entity identified on this certificate.

This accreditation applies to nominated vehicles operating under the Mass and Maintenance Management module, and others that may be added during the period of accreditation.

Records will be required to be kept for all trips that involve loading of axle or gross masses above General Mass Limits (GML).

Labels

Prime movers, trucks and trailers (trailers - maintenance only) must display the NHVAS label in a way that the information on the label is readable from outside the vehicle. The accreditation label must not be wholly or partly obscured, defaced or otherwise not legible.

Change of details

The operator must notify the National Heavy Vehicle Regulator within 14 days when there is a change to any details of the operator or a change in the nominated vehicles.
